IQAC MEETING

(IN-HOUSE)

Minutes

The First IQAC meeting for the year 2023-2024 was held on 07.08.2023 at 02.00 p.m. in the IQAC Room.

The Agenda for the meeting was as follows:

1. Prayer
2. Leave of Absence
3. Minutes
4. Action plan of various committees
5. Action Plan of IQAC
6. Online Courses
7. Student Welfare
8. Any Other Business

Prayer

The meeting started with the opening prayer by Dr. Mano Stella Charling D, Assistant Professor of Education.

Leave of Absence

All the staff members were present.

Minutes

The minutes of the 5th IQAC (In-House) meeting for the year 2022-2023 was held on 09.01.2023 at 11.30 a.m. were read by the IQAC Coordinator.

Action plan of various committees

The action plans of the various committees were presented by the committee convenors.

Feedback analysis Committee

The convenor Mrs. Parimala Paul presented the report of the committee meeting held on 04.08.2023.

Programme Evaluation

Programme evaluation was consolidated and presented in the meeting. *(Annexure-1)*

Semester I, II & IV

Feedback was obtained on course content, teaching and areas in which teachers need improvement. Feedback given by the students were consolidated and discussed in the feedback analysis committee. The suggestions given by the students were given to the respective teachers for further action. *(Annexure-2 & 3)*

Semester III

Feedback was obtained on internship, practice teaching schools, mentors, teacher educator in charge and the activities carried out in the various courses. Feedback given by the students were consolidated and discussed in the feedback analysis committee. The suggestions given by the students were given to the respective teachers for further action. *(Annexure-4)*

Other Courses

Immediately after the completion of the special courses, feedback was received from the students on the course content, resource person involved, delivery of content, time management and learning outcomes achieved. Feedback given by the students were consolidated and discussed in the feedback analysis committee. Decisions regarding changes to be made in the course were taken up. *(Annexure-1)*

Teachers' Self-Appraisal

The self-appraisal forms given by the teachers were consolidated and discussed in the feedback analysis committee. *(Annexure-5)*

Faculty Peer feedback

Eight faculty members obtained peer feedback on their classroom teaching. *(Annexure-6)*

Faculty Appraisal by the Principal

Principal identified the weak areas of the teachers and discussed it with the individual faculty members.

Action Plan

Internship

- Lesson plans will be checked periodically.
- TLM will be checked.
- TAB sheets will be collected every Saturday.
- Submission of files will be monitored.
- Faculty should submit marks of practicum components as per the schedule.

Teaching

- Faculty should start the class on time and finish on time.
- Faculty Should not miss any class
- Core paper faculty – if on leave should exchange the class with other teachers.
- Optional teachers should make arrangements to monitor the work given.
- Faculty should prepare well for the class and should use digital tools.
- Stand while teaching
- Faculty should use various student centered methods

Assessment

- Continuous Comprehensive Evaluation is followed
- Correction of CCE papers should be done with in a week and submitted to the Principal with mark register.
- Assignments / Activities should be corrected before CCE.
- Feedback should be given in the test and assignment papers.

Planning

- Faculty should have semester plans and annual plan.
- All activities should be planned well ahead of time.
- Whenever a deadline is fixed, faculty should stick to it.

Students Orientation

- Activities to be completed should be informed well ahead of time
- The purpose of doing various curricular, co-curricular and extracurricular activities, the competencies to be developed and the attributes to be learnt are to be explained to students.
- Students should be trained to start all the work well in advance so that they will finish activities without any pressure. Avoid retaining students after 6.00 p.m.

Anti-Ragging Committee

- Ragging is banned inside and outside the institution.
- A ragging free campus should be maintained.
- The campus should be student friendly.
- Ragging is a crime.
- Juniors should not be ragged by seniors, and Vice Versa
- No one should dominate others.
- Ragging leads to depression, affects students and leads to inferiority complex
- Everyone should be treated equally.
- Ragging in any place in any form should be reported to the committee immediately.

- One to one talk session with the juniors on any one of the Saturdays should be arranged.

Counseling Cell

- Special talks will be organised to make the students aware of the importance of counseling and its benefits.
- Career guidance will be organised for II year students.

Digital Learning Support Cell

Digital Learning Support Cell has planned to organize one FDP on ICT for faculty members and two sessions for students.

Disciplinary Committee

The following instructions regarding general code of conduct in the schools during internship was given:

- Students should follow the rules and regulations of their respective Schools.
- Should maintain discipline and punctuality.
- Should wear sarees modestly and put up their hair neatly.
- Proper relationships should be maintained with students.
- All lesson plans and teaching aids should be signed by their respective staff.
- Students should inform the school and college office if taken leave.
- If school has declared a holiday for some purpose, students should come to college.
- All records should be completed on time.
- Students should avoid using cell phones during school hours. If found using cell phones they will be taken back and will not be given through the year.

Eco Club

- The staff in charge would take care of different parts of the campus to clean and maintain that area with the help of Eco Club students and gardeners.
- Green Consumer Day on 28th September 2023 and Earth Day on 22nd April 2024 will be celebrated.
- Seed Ball Project will be organised.
- Competitions on Green Consumer Day and Earth Day will be conducted.
- Environmental Awareness programmes will be conducted by students in practicing schools.

Examination Committee

- Self-Study Courses to be approved by the Academic Council will be implemented in this academic year 2023-2024.
- Records submission schedule during internship has been organized systematically and shared with students and faculty.

- Question bank validation will be done during this semester.

Grievance Redressal Committee

- Grievance Redressal committee decided to stick the mail id of the committee in the student notice board as well as on the grievance boxes.
- Half a day will be allotted in the first semester for the staff and students, should meet their advisors personally.
- For general papers and special subjects one period is assigned once in 15 days for library reference.
- The staff incharge planned to give orientation to the first year students about the grievance redressal mechanism.

Internal Complaints Committee

- General discussions related to their freedom will be done.
- Advice was given to the students on how to deal with the adolescent students during practice teaching.
- Action plan for the academic year 2023-2024
  (i) Guest Lecture on "Work Life Balance" for the time management
  (ii) Guest Lecture on " Women Health Issues related to PCOD problem".

Library Advisory Committee

To increase the usage statistics,it was planned by the Library Advisory Committee to do the following:

- **Staff Self-Appraisal Credit:** Points will be given to staff members based on their engagement with the library, specifically for book circulation and E-Resource access.
- **Additional Library Period for Students:** Apart from the regular library periods in the timetable, one extra period once in two weeks will be allotted for all subjects. The choice of utilizing this period in students' self-directed learning will be left to the staff, meaning they can decide which subject's students will benefit from the additional library time.

By implementing these strategies, the library can expect to see increased usage from both staff and students.

Placement Cell

- Resume preparation will be taught.
- New schools for campus recruitment will be identified.
- Senior faculty or alumni will be invited to address the students regarding work experience and culture.
- Other avenues for teachers should be identified.

Planning Committee

- Planning committee decided the number of working days, holidays, events of the college and days for three levels of teaching of internship.
- The due dates for the submission of various records for students and submission of marks for teachers was also planned.
- The annual plan was discussed with the student council and their suggestions were accepted.
- *Semester Plan*: Workload of the faculty was planned. Teaching hours for the courses were planned based on the credits. Semester wise time tables were prepared including curricular and co-curricular activities.

Research Committee

For Staff Study Circle

- Staff members should select three topics each out of the given forty-four topics and they should prepare the materials or the content.
- The material should include the following
    - Learning outcomes.
    - Matter in the form of Introduction, Content and Conclusion.
    - A minimum of five references inclusive of books and e-resources.
    - Activity for assessment.
- There should be one module for each topic.
- Each module should have material and a video of minimum 15 minutes duration.
- The content / material should be submitted on or before 16.08.2023 to the concerned staff for validation.
- First level Internal Validation will be done by Dr. Mrs. Nithila Devakarunyam, Dr. C. Jesintha Mary and Dr. A. Jayasundari on or before 20.08.2023.
- Second level external validation will be done by experts from outside the Institution.
- Video recording and editing will be done by Miss Selvamary before 31.08.2023.
- Guidelines for e-content will be shared with faculty members.

Student Council

- Periodical meetings will be planned and the student leaders will be made aware of their roles and functions.
- Activities of the college will be coordinated with the help of student leaders .
- The student leaders will be actively involved in the planning of the academic calendar and special courses.

Sports Committee

- Physical Education classes should be conducted during teaching practice.
- Lesson plan correction will be carried out.

- Assessment sheet and file submission should be done by the students.
- Inter-house competitions for 2nd years and 1st years will be conducted.
- Display items for Project Sports will be finalised.

Website Committee

- **Scroll and Marquee Update:**

  The committee decided to update the website's scroll after every event and to update the marquee before the event. This will help in providing real-time information to the users and enhance user engagement.
- **Online Course Tab:**

  The committee agreed to create an "Online Course" tab on the website. This tab will showcase the courses offered, course-related videos, activities, and assignments to provide a comprehensive learning experience to the students.
- **Social Media Integration:**

  The website will include official social media webpage links to increase its online presence and promote better interaction with the audience.

Action Plan of IQAC

The action plans of the IQAC were presented by the IQAC coordinator.

Documentation :

- Teachers incharge of various activities are responsible for giving documents for AQAR. Documents should include all programmes, courses and activities. (***Annexure -7 Report Format)***
- Registers, Bills, Photos, files, Student activities, Attendance Registers, Mark Registers are to be maintained properly.
- All the activities photographs should be shared with IQAC immediately.

Annual Plan:

- IQAC developed an annual plan for the academic year 2023-2024. (***Annexure - 8 Annual Plan)***

MoU Activities:

- Each faculty should be incharge of one MoU. Two activities should be organised in a year by each institution.
- Finance requirements to organise the activities should be informed two days in advance.

Time management analysis/Work done analysis:

- Time Audit by self
  - Teaching
  - Assessment
  - Research
  - Extension

- Co-Curricular & Extra Curricular
- Professional Development

(Annexure - 9 Time Audit)

Online Courses

The list of Online Courses proposed was presented by the team and was discussed.
(Annexure - 10 Online Courses)

Student Welfare

The convenor of the Scholarship Committee Presented the Scholarships offered in the college every year.

Scholarship Details :

Scholarship Name	Number of Beneficiaries	
• Management scholarship	- Yearly once	- 16 students
• UB scholarship	- As Grant received	- 10 students
• Well wishers	- Yearly once	- 10 students
• Instituted scholarship(Mohan Yeddy)	- Yearly once	- 10 students
• Alumnae association scholarship	- Yearly once	- 10 students
• Government scholarship	- BC, MBC, SC & ST	

(All those who apply will get the benefit)

Any Other Business

The principal suggested keeping track of the time in doing AQAR. It was suggested to initiate quality enhancements through IQAC. The Principal informed the IQAC coordinator to arrange for a regional conference in the coming months.The Principal suggested to fill the document sent by the IQAC coordinator for the monthly reporting of the staff on their professional development, and programmes conducted by them, which will be presented by the staff in every IQAC meeting held in the first week of every month.

With this the meeting came to an end.

Annexure - 1

Feedback for the academic year

2022-2023

Autonomous Setup

Students said they have studied in autonomous institutions. They were appreciative of the autonomous pattern which enabled them to learn more certificate courses and be involved in extracurricular activities. The students found our college differed from others in some aspects like timing, dress code, strict rules and regulations and allocation of marks for attendance.

Examinations System

Students were appreciative of the examination pattern followed in our college. They were of the opinion that the internal assessment pattern followed, helped them to have regular study habits and score better marks. It helped them to prepare well for the examinations.

They requested study holidays before the examinations and leave in between exams to study better.

Internal Assessment

The students appreciated the internal assessment carried out in our college. The assignments and tests given helped them to prepare for the end semester examinations.

Students were satisfied with the ratio of internal: external, 40:60 ratios. The students were in favour of the objective type questions included in the internal and external examination.

Study Habits

Students stated that their personal study habits changed for the better after entering the autonomous system of our college.

Internship

Students were satisfied with the facilities provided during internship. They stated it provided them with necessary experience, exposure and moulded them as good

teachers. They were also of the opinion that internships helped them to cultivate good habits like punctuality and regularity.

Life in Hostel

The hostel students enjoyed their life in the hostel. They were appreciative of the food provided in the mess. They were also satisfied with the study time and discipline maintained in the hostel. They suggested bathrooms can be added.

Life as a Day scholar

The day scholars were happy with the college timings but some felt that they reached home late due to various practices after college hours.

Co-curricular and Extracurricular activities

Students appreciated the Co-curricular and Extracurricular activities carried out in our college.

Social Service

Students enjoyed the social service activities carried out in our college.

Physical Education

Students were appreciative of the physical education classes and the facilities available in the Indoor Stadium.

Camp

Students enjoyed the camp activities. They were of the opinion that it brought about an all-round development in them. They learnt many skills like social communication and collaboration. Some suggested that night stay may be incorporated to make it more effective.

Field Trip and Educational Tour

Students enjoyed the field trip organised in the first year and the educational tour organised in the second year. They gave some suggestions to make it a pleasurable experience.

First Aid classes

Students found first aid classes to be useful. It was an eye opener for them and helped them to imbibe skills which could be useful in emergency situations.

Family Life education

Students learnt work – home life balance. The sessions were useful to clarify their doubts.

Advisory Group sessions

Students found the advisory session to be beneficial as they were able to interact with their advisors regarding their personal problems and clarify their doubts.

Assembly programme and Quiz programme

Students felt assembly and quiz programmes were useful. They were able to gain knowledge and acquire leadership, organisational and managerial skills.

Fine arts

Fine arts classes were appreciated by all. It helped them to develop their artistic skills.

House party

House parties were enjoyed by all the students. It provided them with the opportunities to compete healthily among houses.

Other Activities

The students were appreciative of all the other activities carried out in our college. They were of the opinion that it built self-confidence, removed stage fear and shaped their personality to become good teachers.

General Impression

The students felt that they had a pleasant stay and wonderful experience in our college. They were happy with the infrastructure, discipline and opportunities provided to mould them into better teachers.

Students feedback for Educational Tour

Travel Arrangements

The students felt that the travel arrangements were good and comfortable. Some of the students suggested that the train tickets may be booked previously to avoid outsiders in between the students. Some students suggested that vans can be avoided and instead only buses could be arranged.

Accommodation

All were appreciative of the accommodation provided.

Site Seeing

The students appreciated the sightseeing arrangements. Some wanted the number of places to be increased. Many felt that the shopping was not organised properly.

Food

Students appreciated the food provided. Some suggested that non-vegetarian meals could be given. Many complained that proper drinking water facilities were not provided in the hotel rooms.

Suggestions

The students felt that the trip was a pleasurable one. Some wanted the number of days to be increased. They suggested that students may be involved in planning the trip. Train tickets can be booked earlier to avoid strangers mingling with the students. They wanted the shopping places to be properly planned.

The Principal
St. Christopher's College of Education
Chennai – 7

Respected Madam,

Greetings from Bentinck HSS!

Iam happy to inform that St.Christopher's student teachers have completed their intern at different levels (I, II, III) successfully. We appreciate your training schedule for student - teachers at all levels so as to meet the requisites for jobs as soon as they complete the course.

The student teachers were given opportunity to take part in cultural programs, day celebrations, literary and club activities along with academic teaching learning process. We feel that the preparedness for future career is done well.

Hats off to the remedial teaching to fill the learning gaps for classes from 1 to 8 aswell.

Thanking you!

Yours Sincerely,

21.11.22

Greeting to you, from Satya Schools!

I am pleased to inform you that BEULA ESTHER .A., Reg. No. 2021108, belonging to The Department of Biological Science, St. Christopher's College of Education has successfully completed her Internship at our School from 01.08.2022 to 18.11.2022.

During her Internship, Beula Esther proved her teaching skills in teaching Science to the students of Std. IX efficiently. Beula Esther also taught Scripture and Physical Education to the students of Std. IX with much dedication.

She conducted the School Assembly with great interest, and help the students of Std. IX to exhibit their talent at the morning Assembly. She actively took part in organizing and participating in Awareness Programmes and celebrations at school.

Beula is blessed with beautiful voice. She even led the singing sessions at our School Assembly and sang a few special songs. She also supervised the Second Mid – Term Examination as per the duty allotted for the staff members.

Beula was very regular and punctual to School. She co-operated with all the staff of the School, and took up Substitution classes whenever needed. She maintained all her records – namely Attendance Registers and Mark Registers perfectly.

I wish BEULA ESTHER, a bright and promising future! She will be a great asset to any Institution she works in. I wish her all the best!

FEEDBACK – SEVENTH DAY ADVENTIST SCHOOL, VEPERY

Greetings to St.Christopher's College of Education. We feel happy and privileged to train 16 of your student teachers from Aug 01 to Nov 18, 2022.

Their active participation and creative presentation were very much appreciable during this year of training. Their involvement in conducting Assembly programs, organizing quizzes, awareness program, audio visual classes, role play is very much recognized. They also participated in Independence day, sports day, science exhibition, temperance contest and teachers' day programmes.

The materials and the methods they used were very interesting and the discussions were truly inspiring. We particularly appreciate the visual illustrations, which made the content easily understandable to the students. They abided by the rules and regulations of our school and were of great help and support to our school staff during the training period. We appreciate and acknowledge their work.

Following is the list of trainee teachers who underwent the teaching practice.

Greetings!

We are thankful to St. Christopher's College of Education for sending the student teachers to our school. We are satisfied with all the student-teacher performances and wish them all success in their future endeavours. We recommend the college to infuse and instil in student-teachers to take up primary classes in their initial years of teaching as professionals to become strong confident teachers which will keep them rooted to basics.

EXTEND OF JOB READINESS

1. **ANEES. A – TAMIL**

Ready to take up the teaching position, highly recommend. Hardworking and accommodative.

2. **JAEL EZHIL RAJKUMARI. D – ENGLISH**

Energetic and enthusiastic. It is a joy to have her with us, but need to prepare thoroughly her topics which she is capable of. Has great potential and is ready to take up job.

3. **LYNNETLAVANYA S - MATHEMATICS**

Phenomenal in her preparation . A natural teacher, should do more explorative work in her subjects to develop interest in Mathematics. Will be an asset to schools.

ORGANZING ACADEMIC AND CULTURAL PROGRAMS

1. **ANEES. A – TAMIL**

Anees calmly volunteered and also with great passion and interest conducted their activities on time.

2. **JAEL EZHIL RAJKUMARI. D – ENGLISH**

Jael was ready to take part and organized the academic programmes like quiz with great enthusiasm. She also volunteered readily to help with all the cultural programmes in school.

3. **LYNNETLAVANYA. S - MATHEMATICS**

Lynette actively involved in all the cultural programmes organized by the school. She also organized the programme with great interest and zeal.

IQAC MEETING

Minutes

The Fourth IQAC meeting for the year 2023-2024 was held on 11.10.2023 at 10.00 a.m at IQAC Room.

The Agenda for the meeting was as follows:

AGENDA

1. **Prayer**
2. **Leave of Absence**
3. **Confirmation of Minutes**
4. **Self Study Courses**
5. **Feedback**
6. **Annual Plan**
7. **Any other Business**

1. Prayer

The meeting started with the opening prayer by Dr. Mano Stella Charling D, Assistant Professor of Education.

2. Leave of Absence

Apologies were received from Mrs. Selvarani, Advisor, St. Christopher's Academy and Mrs. J. Jasmine, Controller of Examinations.

3. Confirmation of Minutes

The minutes of the 2nd IQAC (In-House) meeting for the year 2022-2023 held on 18.08.2022 at 3.00 p.m. were read by the IQAC Coordinator. The Principal added that staff were encouraged to do M.Phil., Ph.D., M.Sc. Psychology/Sociology.

4. Self-Study Courses

The syllabi of the 19 Self Study Courses proposed by the faculty members were modified according to the expert opinion of the IQAC members and the Board of Studies members. 18 courses were approved by the Academic Council. It was planned to offer 6 self-study courses in a semester. The list of courses offered in Semester I, Semester II and Semester IV is given in ***Annexure 1.*** .

5. Feedback

The format for peer feedback was prepared and approved. Peer feedback on classroom teaching came to practice in the academic year 2022-2023. It was suggested by the Planning and Evaluation Committee to include Principal's feedback also from 2023-2024. The format used for peer feedback is given in ***Annexure 2.***

It was suggested to rephrase few statements in the peer feedback format. The Principal added that Students' managed Feedback was also received in the last academic year.

6. Annual Plan

Annual plan was prepared for the academic year 2023-2024. The Annual Planner for the academic year is given in ***Annexure 3.***

7. Any other Business

The experts suggested to list out the job responsibilities of each staff member and their expectations in the self-appraisal format. It was also suggested

to include academics, finance, Government requirements like sanitary certificate, fire etc. in the annual planner.

IQAC MEETING

(IN-HOUSE)

Minutes

The 9th IQAC meeting for the year 2023-2024 was held on 27.02.2024 at 02.00 p.m. at IQAC Room.

The Agenda for the meeting was as follows:

AGENDA

1. **Prayer**
2. **Leave of Absence**
3. **Confirmation of Minutes**
4. **Feedback : Semester - I & III**
5. **Changes based on Feedback**
   a. **Scripture/Moral Instruction Teaching**
   b. **Digital Technology in Pedagogy**
   c. **Self Study Courses**
   d. **Practicum Components**
6. **Any other Business**

1. Prayer

The meeting started with the opening prayer by Mrs. Samuel Stella, Assistant Professor of Biological Science.

2. Leave of Absence

Apologies were received from Mrs. J. Jasmine, Assistant Professor of Mathematics & Controller of Examinations, Miss Lydia M Assistant Professor of English. Dr. Jyothsana, Assistant Professor of English and Mrs. Emi Jeba Suganth were absent.

3. Confirmation of Minutes

The minutes of the 1st IQAC (In-House) meeting for the year 2023-2024 held on 07.08.2023 at 2.00 p.m. were read by the IQAC Coordinator.

4. Feedback : Semester - I & III

- ➢ It was observed that Commerce students who did teaching practice at TELC school faced difficulties during internship, so it was decided to avoid allotment of Commerce students in the above school.
- ➢ Reference material can be given in tamil in all the courses for the tamil medium students.
- ➢ The specific feedback related to teachers will be discussed individually by the Principal.
- ➢ Faculty are expected to maintain a professional relationship with students.

5. Changes based on Feedback

a. Scripture/Moral Instruction Teaching

- ➢ Teaching practice sessions will be held for Scripture/Moral Instruction after the CEC final exam in the Scripture/Moral Instruction classes. Hence the same will be removed from III semester internship. It was suggested that students should be divided into groups and the Scripture

and MI teaching practice will be held following the peer teaching procedure from the academic year 2024-2025.

b. Digital Technology in Pedagogy

- ➢ Video material cannot be used as a substitute for teaching but can be used as additional teaching material.
- ➢ It was suggested to conduct Continuous Comprehensive Evaluation for assessment in Digital Technology in Pedagogy Course. Three CCE tests will be followed from the academic year 2024-2025.

c. Self Study Courses

- ➢ Every month one hour could be allotted for Self-Study Courses in the Timetable for discussion with the mentors.
- ➢ Pattern of the final examination Question Paper could be changed to 60:40 instead of 40:60. Question pattern could be as following:
    - o Maximum of 40 Marks - Duration of 2 Hours.
    - o Any two of the three short answer questions of each 5 Marks.
    - o Any two of the three essays answer questions of each 15 Marks.
- ➢ The Course completion certificate could be distributed to those who have obtained a pass percentage during the final examination.

d. Practicum Components

- ➢ It was decided by the optional faculty to add the Laboratory activities and to remove the following from the existing Practicum components
    - i. Website Analysis
    - ii. Textbook Analysis
    - iii. Review of Research Article
- ➢ It was suggested to make changes in the curriculum framework based on the feedback.

6. Any other Business

- ➢ All committees should conduct meetings with 2023-2024 batch members and present the same in the next IQAC meeting.
- ➢ Peerfeedback file should be countersigned by the Principal at the end of the academic year.

With this the meeting came to an end.

IQAC MEETING
(IN-HOUSE)

Minutes

The 13th IQAC meeting for the year 2023-2024 was held on 28.06.2024 at 09.15 a.m. in the IQAC Room.

The Agenda for the meeting was as follows:

- Prayer
- Discussion on Criterion-wise Documentation
- Presentation of Draft documentation Formats by the Criterion In-charge Faculty
- Any Other Business

Prayer

The meeting started with an opening prayer by Mrs. Parimala Paul, Assistant Professor of Mathematics and Vice-principal.

Discussion Criterion-wise Distribution

The Principal gave a comprehensive overview of the need for documentation formats to be prepared by the Criterion In-charge Faculty. It was suggested that each criterion should have a common format for all faculty members to use in filling out the AQAR for 2024-2025. Principal recommended simplifying the documentation process by customizing the formats to the needs of each criterion.

Presentation of Draft documentation Formats by the Criterion In-charge Faculty

Faculty in-charge of each criterion presented the documentation formats needed according to the metrics of each criterion. The presentation of the formats was done by

the faculty. The Principal and faculty provided suggestions to modify the formats wherever necessary.

Any Other Business

The Principal informed the IQAC coordinator to convene an in-house meeting in the second week of July 2024. All the committee convenors were asked to present the minutes of the last meeting held and the action taken report of the MoU activities conducted during the academic year 2023-2024. Principal has mandated that the Faculty Development Program (FDP) in ICT and Research be completed before September of each academic year.

With this the meeting came to an end.

IQAC MEETING

(IN-HOUSE)

Minutes

The 14th IQAC meeting for the year 2023-2024 was held on 10.07.2024 at 02.30 p.m. in the IQAC Room.

The Agenda for the meeting was as follows:

- Prayer
- Leave of Absence
- Confirmation of Minutes
- Curriculum Revision
- Reports of Committees
- Report on MoU activities
- Feedback
- Any Other Business

Prayer

The meeting started with an opening prayer by Dr. Jeyanthi Melba Premkumari C, Physical Directress.

Leave of Absence

All Faculty members were present except Mrs. Stella K, Lecturer in History.

Confirmation of Minutes

The minutes of the 13th IQAC (In-House) meeting for the year 2023-2024 held on 28.06.2024 at 09.15 a.m. was read by the IQAC Coordinator.

Curriculum Revision

- The incorporation of the TET syllabus into the curriculum was discussed, and it was decided that a decision would be reached after further deliberation in the upcoming meeting.

- Syllabus revision in Digital Technology in Pedagogy was presented by Mrs. Hebziba, Assistant Professor of Computer Education.

The revised draft syllabus is given in ***Annexure I.***

Reports of Committees

The reports of the following committees were presented by the committee convenors.

1. Anti-Ragging Committee - Dr. Mano Stella Charling D
2. Counseling Cell - Mrs. Parimala Paul
3. Cultural Events Committee - Mrs. Georjeena S
4. Digital Learning Support Cel - Mrs. Hebziba M
5. Disciplinary Committee - Dr. Jeyanthi Melba Premkumari C
6. Eco Club - Mrs. Samuel Stella
7. Examination Committee - Mrs. Jasmine J
8. Feedback Analysis Committee - Mrs.Parimala Paul
9. Grievance Redressal Committee - Mrs. Nalini N
10. Internal Complaints Committee -Mrs. Georjeena S
11. Library Advisory Committee - Dr. Jayasundari A
12. Magazine Committee - Dr. Jyothsna N G
13. Planning Committee - Mrs. Libin Saral R
14. Placement Cell - Mrs. Enid Ruth A
15. Research Committee - Dr. Jyothsna N G
16. Scholarship Committee - Mrs. Reeva Jebalina J
17. Staff Council - Mrs. Samuel Stella
18. Student Council - Mrs. Parimala Paul
19. Sports Committee - Dr. Jeyanthi Melba Premkumari C
20. Website Committee - Mrs. Selvamary M
21. Youth Red Cross - Mrs. Enid Ruth

The Principal suggested including missed details for a few committees. The reports of the various committees are provided in ***Annexure II.***

Report on MoU activities 2023-2024

The report of the various MoU activities were presented by the MoU in-charge faculty.

1. Annammal College of Education, Tuticorin - Mrs. Hebziba M
2. Bharathidasan University, Tiruchirapalli - Ms. Jackuline Blessy M
3. Bishop Agniswamy College of Education - Dr. Jesintha Mary C
4. CSI Bishop Newbigin College of Education, Chennai - Dr. Jyothsna N G
5. Computational Intelligence Research Foundation - Dr. Jayasundari A
6. Dr.G.U.Pope College of Education, Tuticorin - Mrs. Georjeena S
7. Lady Doak College, Madurai - Mrs. Grace Valentina J
8. Model Institute of Education & Research, Jammu - Mrs. Jasmine J
9. NKT National College of Education, Chennai - Ms. Lydia M
10. Rev.John Thomas College of Education, Tuticorin - Mrs. Libin Saral R
11. R.M.P.C.S.I.P.S.K.Rajaratnam Memorial College of Education, Tuticorin - Mrs. Georjeena S
12. Scottish Church College, Kolkata - Mrs. Samuel Stella
13. St. Ann's College of Education, Mangalore - Dr. Jeyanthi Melba Premkumari C
14. St. Stephen's English Medium School, Gujarat - Mrs. Selvamary M
15. TNTEU-Center for Career Guidance and Counseling, Chennai - Mrs. Parimala Paul
16. TNTEU-Center for Capacity Building Programmes for School Teachers, Chennai - Mrs. Nalini N
17. Vidya Sagar, Chennai - Dr. Mano Stella Charling D

The activities of different MoUs are given in ***Annexure III.***

No activities were conducted for the following MoUs:

1. Bodhi Charitable Trust, Chennai - Mrs. Enid Ruth A
2. TNTEU Department of Education Psychology, Chennai - Mrs. Enid Ruth A

Feedback

Mrs. Parimala Paul, the convener of the Feedback Analysis Committee, presented the report on Students feedback on Autonomy, Faculty Peer Feedback and Faculty Self-Appraisal, as well as student's feedback on Self-study Courses for Semester II.

The Principal discussed the comprehensive feedback from students regarding Semesters II and IV during the meeting with the faculty. The Principal stated that she would further discuss this matter individually with faculty members on 11.07.2024. The detailed feedback reports are provided in ***Annexure IV.***

Any Other Business

The Principal instructed that the Action Plan for the academic year 2024-2025 be presented during the first IQAC meeting. It was emphasized that all college activities should directly benefit the students. With this directive, the meeting concluded.

Annexure I

Digital Technology in Pedagogy Syllabus Revised Draft

Learning Outcome: On completion of the course, the student-teacher will be able to,

1. construct/set up a Google classroom for teaching and learning.
2. use the online boards to enhance interactive learning on a concept.
3. conduct an online quiz using the assessment tools.
4. organize online video conferences.
5. prepare a video lecture.
6. modify a created video using a video editing tool based on the need.
7. Create/launch a YouTube channel.

Unit – I: VIRTUAL CLASSROOM MANAGEMENT (Objectives 1&2) ***(6 Hours)***

Introduction to LMS: Settings - Stream – Class Work-People Grade

Introduction to OnlineBoard JAMBOARD:LiveBoard-Canva-Whiteboard-Whiteboard.fi

Activity:

Create a sample Google Classroom (GCR) for your own class, add a minimum of five students and use all the Class work options.

Create teaching learning material on any topic with a minimum of 5 frames using any one of the online boards.

Unit – II: ASSESSMENT TOOLS (Objective 3) ***(10 Hours)***

Introduction to Assessment Tools - Google Forms - Kahoot – Mentimetre -Flip Grid– QUIZIZZ - H5P - Socrative

Activity:

Use Google form / Socrative to create a sample questionpaper in your major subject for 6th or 7th or 8th or 9th standard.

Organize a quiz programme using Kahoot / Mentimeter / Quizizz / H5p.

Unit – III: VIDEO CONFERENCING TOOLS (Objective 4) ***(4 Hours)***

Introduction to Video Conferencing Tools - Google Meet: Settings – Extensions – Screen Sharing - Invitations; Zoom: Settings – Screen sharing – Invitations.

Activity:

Organise a demo class meeting - Through zoom or Google Meet.

Unit IV: VIDEO RECORDING TOOLS (Objective 5) ***(8 Hours)***

Introduction to Video Recording Tools - Screencastify– Loom – Screen V Recorder – AZRecorder: Live Platform – Arloopa.

Activity: Create a Video lesson for 5 to 10 minutes on your major subject using any one of the video recording tools and add a few questions to reflect and post it in GCR.

Unit V: VIDEO EDITING TOOL (Objective 6) ***(7 Hours)***

Introduction to Video Editing Tools – Kinemaster – Inshot.

Activity: Edit a video recording using any one of the editing tools.

Unit VI: ONLINE VIDEO UPLOADING APP (Objective 7) ***(3 Hours)***

Introduction to Video Uploading App - YouTube: Channel Creation – Upload Video – Playlist – Discussions.

Activity: Create a YouTube Channel.

Note:

To be Added as New Unit:

Artificial Intelligence: Presentation tool – Assessment and Activity Tools

Simulation Tools: PhET, Olabs, Virtual labs, Chemtube 3D,

To be Added to the existing Unit in the syllabus:

Unit 1: Canva Whiteboard, Whiteboard.fi

Unit V: Inshot

To be Removed from the syllabus:

Unit I: Jamboard, Live Board

Unit IV: Loom

Annexure II

Report of the Committees for the academic year 2023-2024

1. Anti Ragging committee

The anti - ragging committee meeting was held on 25th April 2024

The objectives and other details were explained. The student members felt that there was segregation between the seniors and juniors. The student members suggested that the institution must state proper penalties and punishments in case of violation , awareness should be created on the harms and repercussions of ragging , the committee has to regularly check and find out whether there is any incident of ragging and proper guidance services must be provided to the victims, if any.

2. Counselling Cell

The Counselling cell met twice a year in the academic year 2023 – 2024. The following issues were discussed;

- Conducting a certificate course on counselling.
- Encouraging teachers to interact with students and give counselling to those in need.
- Organising talks to create awareness among students about the importance of counselling.
- Train teacher trainees to identify students with counselling needs.
- Advisors to maintain a counselling profile for the advisees.

Action Taken

- A certificate course on Guidance and Counselling was conducted.
- Talks were organised to create awareness among students regarding the importance of counselling and how to identify students with counselling needs.
- Advisors maintained the counselling profile of the advisees.

3. **Cultural Events Committee**

B.Ed I year students participated in the state level sports and cultural Inter Collegiate Competition organized by C. S.I Bishop Newbigin College of Education. The cultural event was conducted on 10.5.2024. 11 students from B.Ed Iyear participated in various events like chess, carrom, solo song, group dance and poster making. Students won prizes in all the events.

- Students participated in the Women's day competition organized by Meston college of Education.
- Pongal Celebration was celebrated in our college on 11.01.2024. Various competitions were conducted according to house wise.

4. **Digital Learning Support Cell**

The Digital Learning Support Cell met twice in the year. In the beginning of the year discussion was done to

- the provision of the digital learning experiences.
- creation of the digital learning materials as e-content.

Also informed the members about organizing a FDP for teacher educators. At the end of the year a report on the following actions organized for the academic year 2023 - 24 was discussed.

Digital tool learning:

A seminar was arranged for the students to raise awareness on the usage of digital tools in their teaching-learning process.

Development of the e-content:

The student teachers utilized the KIDS Lab to record videos for e-content development.

Faculty Development Programme for staff:

Five ICT hands-on training programmes were organized for staff as a FDP.

5. **Disciplinary Committee**

In the disciplinary committee meeting, all members discussed the rules for teaching practice, including the code of conduct, leave of absence, and dress code. These rules

were then conveyed to the group, and students were informed about the disciplinary actions for any violations.

6. **Eco Club**

- The Eco Club has been actively engaged in various environmental initiatives, such as removing dry leaves from the plants near the quadrangle, the area outside the Physical Science building, Indoor Sports Stadium, Chapel and cleaning the doors and windows of the college block.
- The Eco Club enabled the students to observe Green Consumer Day on September 28, 2023, by organizing competitions in the practicing schools and recording the same in their practical Environmental record.
- Earth Day was celebrated on April 22, 2024, by organizing campus cleaning activities, oath-taking, and planting of a few saplings. Several Swachh Bharat cleaning drives were recorded as videos and posted in the college Instagram account.
- A significant project undertaken was the Seed Ball Project, aimed at enhancing greenery on campus and in surrounding areas. The school students from our model school were taught to create seed balls.
- The Eco club of the college is responsible for conducting green audit.
- The Eco club organised a plastic free day by asking the students to bring yellow colour clothes and to stitch their own cloth bags.
- Furthermore, the club has been proactive in conducting environmental awareness programs and nurturing and donating plants by our students in practicing schools, fostering a sense of environmental responsibility and sustainability within the community.

7. **Examination Committee**

The Examination Committee met before the commencement of every End Semester Theory & Practical Examinations for B.Ed. & M.Ed. students to discuss the smooth conduct of Exams.

Orientation towards examinations was given to the students as follows:

S.No.	Date	Event
1.	04.01.2024	Practical Examinations -B.Ed. II Year students
2.	01.02.2024	Theory Examination -B.Ed. / M.Ed. Semester I/III Examinations
3.	10.05.2024	Theory Examination -B.Ed. & M.Ed. IV Semester
4.	05.07.2024	Theory Examinations -B.Ed. & M.Ed. II Semester.

During the orientation students' guidelines and attendance defaulters' details were shared with the students.

Revaluation: Five students inclusive of B.Ed. & M.Ed. requested for revaluation. Examination committee met regarding the revaluation request and the revaluation process was done and the results were published on 20.02.2024 with no change.

Publication of Results: Results for all the examinations were published within 3 to 5 working days after double valuation and the mark sheets were issued to the students within 15 days.

8. Feedback analysis committee

The feedback analysis committee met at the end of every semester to analyse the feedback given by the students.

The feedbacks analysed were

- 1st and 3rd semester feedback
- 2nd and 4th semester feedback
- Students autonomous setup feedback
- Self study course feedback
- Other courses feedback
- Faculty Peer feedback
- Faculty self appraisal

The feedback was analysed and action was taken based on the analysis .

9. Grievances committee

The committee conducted two meetings for the academic year. The committee collected and found out the grievances related to students' issues. Based on the

grievances, they were redressed with the help of the management.

10. Internal Complaints Committee

The Internal Complaints Committee was held on 25.04.2024. The query raised by leaders on how to handle adolescent students in co-education institutions during the internship was addressed. The leaders discussed the general issues faced by their peers on usage of public transport and safe usage of social media.

The committee have decided to conduct awareness programme on,

- Navigating digital communication and online behaviour
- Establishing clear policies and reporting procedures.
- Recognizing different forms of harassment and actively addresses the situation.

As decided, on 16th July, 2024 our External member Dr. Fowmina. C Advocate, Madras High Court, has been invited to deliver a lecture on Navigating digital communication and online behaviour and Establishing clear policies and reporting procedures. Further, she will be giving some tips to follow while using public transport.

11. Library Advisory Committee

Following the three Library Advisory Committee meetings conducted in the academic year 2023-24, several key actions were implemented based on the suggestions and decisions made:

- St. Christopher's College of Education held three Library Advisory Committee meetings in 2023-24 to enhance library services. On June 8, 2023, student representatives suggested extending library hours, increasing circulation days, and enhancing digital resources.
- During the August 4, 2023 meeting with faculty members, an action plan was developed, introducing staff self-appraisal credits and additional library periods.
- The final meeting on April 24, 2024, attended by B.Ed. I and II-year students, proposed extra circulation days, a printing facility for day scholars, more subject books in Tamil, and a diversified collection. These suggestions were reviewed for implementation.

Actions Taken:

- To increase circulation days, book bank facilities were encouraged.

- Expanded access to digital resources by purchasing e-books.
- An extra library period has been added once every two weeks for each subject.
- Expanded collection to include more fiction, general, and motivational books.
- A printing facility for day scholars will be established starting from the academic year 2024-25.

  These actions were implemented to ensure the library continues to effectively meet the academic needs of both students and staff.

12. Magazine Committee

- The articles in Tamil and English, the artwork of students along with the photographs of all the programmes held in the college during the academic year 2023-2024 were collected and consolidated.
- The College Report for the academic year 2023-2024 was received from the Principal's office.
- The photograph folder was shared with all the members of the magazine committee for their suggestions and inputs.

13. Planning committee

- The annual planning for the academic year was prepared by the planning committee. The plan encompasses working days, holidays, dates for continuous comprehensive evaluation (CCE), Model Examinations, end semester examinations, college events, and internship teaching levels.
- To enhance the quality of examination system of the college Planning and evaluation, Board of studies, Academic council meetings were planned and conducted
- The due dates for student records submission and teacher marks submission were also marked. Moreover, the soft copy of the annual planner was shared with the teaching faculty to ensure easy access and reference. The planning process was inclusive, with the student council's suggestions being incorporated into the final plan.
- To facilitate this, a detailed hand book was prepared, capturing all these events, and hard copies were distributed to the students.

- The semester plan addresses the workload of the faculty, with teaching hours planned based on course credits to ensure a balanced distribution. A detailed semester-wise timetable was prepared, incorporating both curricular and co-curricular activities.

14. Placement Cell

14 schools from in and around the locality of Chennai came for placement recruitment to our college and most of our students volunteered and attended the interview. The school authorities who came as the interview panel greatly appreciated our students for their teaching and communication skills. Many of our students from the II years were placed in the schools through the placement cell.

15. Research Committee

- As a part of the Staff Study Circle, each staff member selected three topics of the forty-four topics given. They prepared content which included learning outcomes, with an introduction, content and conclusion. Five references inclusive of books and e-resources and activity for assessment were also included.
- Each topic had one module.
- The content/material was internally validated by Dr. Mrs.Nithila Devakarunyam, Dr. C. Jesintha Mary and Dr. A. Jayasundari. The second validation was done by experts. After the approval of the validators, video recording was done and each staff member presented their topics in the staff study circle.
- The Research Committee arranged FDP Programme on Research on the following dates:

➔ 18.08.23 - *Proposal Writing for MOOC E-content* – Dr. Thiyagu Suriya

➔ 14.09.23 - *Optimising Research Proposals* – Dr. Radha Mohan

➔ 15.09.23 - *Aware of and Away from Blemishes in Writing & Submission of Research Articles* – Prof. B. William Dharma Raja

➔ 01.07.24 - *Unlocking Insights: Interactive Workshop on Differential Analysis & Factor Analysis* – Dr. Kalaiarasi

➔ 02.07.24 – *Cracking the Code: Mastering the Art of Publishing* – Dr. Prabhu Shankar

16. Scholarship Committee

Scholarships for the 2023-2024 Academic Year

- **United Board of Christian Higher Education Scholarship:** Given three times to 30 students.
- **Management Scholarship:**
    - 10 scholarships made available for second-year students.
    - 15 scholarships made available for first-year students.
- **Japan Scholarship:** Covered the full semester fee for one student, with an additional scholarship covering hostel fees for one student.
- **Old Students Association Scholarship:** Provided to 10 students.
- **Government Scholarships Renewal:**
    - 8 students from the SC category
    - 24 students from the BC category
    - Students from the MBC category have also benefited from this year's renewal.

17. Staff Council

The Staff Council meeting is held twice a year, at the beginning and at the end of the academic year. At the beginning of the year, the agenda includes practical work, internship activity, AQAR, admissions, and the action plans of the various committees of the college. At the end of the academic year, a prize meeting is held where the norms of each prize are analysed, prizes are awarded to deserving students, and any changes in the existing system are also discussed.

18. Student Council

The student council met twice a year in the academic year 2023 – 2024

The following issues were discussed

- The do's and don'ts during internship.
- TET classes to be held in 3rd semester.
- Dyslexia classes to be held in December.
- The opinion of the students was asked regarding educational tours .
- Online classes to be held during Christmas holidays were discussed.
- Principal motivated the student leaders to prepare a feedback schedule and get

feedback from the students.

Action Taken

- The internship was conducted smoothly.
- TET classes were conducted as planned.
- Dyslexia classes were held as scheduled.
- Online classes were held in December.
- Feedback schedule was prepared by teacher trainees and feedback got.

19. Sports committee

In the sports committee meeting, all four house captains participated in discussing the organization of sports day. Each event was analyzed in detail, and specific suggestions for improvement were proposed. These recommendations are planned to be implemented in the next sports day to ensure a smoother and more enjoyable experience for all participants.

20. Website and Social Media Committee

This academic year(2023-2024), we conducted two Website Committee Meetings on August 4, 2023, and April 25, 2024. During these meetings, the following action plans were established:

- Update the photos on the website.
- Refresh the college activities section.
- Implement individual student logins for accessing results and attendance.
- Integrate social media links.

Completed

- Updated the online courses tab on the website.

21. Youth Red Cross

The Youth Red Cross of our institution has been proactive in organizing various activities and programs aimed at enhancing the health awareness and personal development of students and staff during the academic year 2023-2024.

- Awareness Programme on Breast Cancer on 7th October 2023 by Dr. Vedha Padma Priya, MGM Cancer Institute.

- Awareness Programme on Dengue and Leprosy 14th October 2023. The Resource Person was Mr. S. Joseph, Zonal Health Supervisor.
- Personality Grooming on 24th January 2024 by Mrs. I. Rizwana, CEO, Rexona Confidence Academy.
- Personality Development and Menstrual Hygiene on 15th February 2024 by Mrs. Regina, CEO and Founder, Englang Cafe
- Cancer - Break the Myths on 29th February 2024 by Dr. S. Mary Priyadharshini, MGM Cancer Institute
- Awareness Program on AIDS on 25th March 2024 by Dr. L. Rani, MGM Cancer Institute.
- The students were also engaged in :
  - Removing the dry leaves and weeds around the college during the service learning hour.
  - Cleaned and dusted the notice board and doors for a healthy environment.
  - They prepared audio notes from the I year B. Ed. Programme for the course Testing, Measurement and Evaluation to facilitate the visually impaired students.

Annexure III

MoU Report of the activities conducted during the academic year 2023-2024

1. **Annammal College of Education**

   On behalf of the MoU signed with the Annammal College of Education a seminar was organised for the students of B.Ed. first year on the topic ‘ Lesson for Life: The Butterfly effect ‘ on 21st March 2024. The speaker was Dr. N. Sudhakumari, Assistant Professor of Education, Annammal College of Education, Thoothukudi.

2. **Bharathidasan University**

   St. Christopher’s College of Education (Autonomous), Vepery, Chennai signed Memorandum of Understanding on **06/06/2024** with Bharathidasan University’s Institute for Entrepreneurship and Career Development (IECD), an institution, located at Khajamalai Campus, Bharathidasan University, Tiruchirappalli – 620 023.

   This MoU is valid for **three years** from the date mentioned. The University’s IECD has intended and approved to provide the following Value Added Programmes through St. Christopher’s College of Education (Autonomous), Vepery, Chennai in collaboration with IECD.

   - Diploma programme in Montessori Education
   - Advanced Diploma programme in Montessori Education

3. **Bishop Agniswamy College of Education**

   St. Christopher’s College of Education, Vepery, Chennai District and Bishop Agniswamy College of Education, Muttom, Kanyakumari District have agreed to collaborate with one another to plan and implement initiatives to contribute to the holistic development of student teachers and teaching staff.

   In connection to that the identified areas of collaboration are:

   - Empowering rural community activities
   - Sharing of expertise in the area of Counselling and Psychology at large
   - Development of life-skills and also other competencies needed for 21st century

- Sharing of Digital Resources
- Sharing of expertise in Digital Pedagogy
- Orientation and Workshops for Communicative Skills and Dyslexia Course
- Joint Field visits and Educational Tours
- Sharing of ideas and challenges related to Teaching in Rural and Urban schools.

The MoU was signed by both colleges in May, 2024. The activities in the above mentioned areas will be organized during the academic year 2024-2025.

4. C.S.I. Bishop New Begin College

Staff Exchange for Demonstration classes

- As a part of MoU activity, Observation classes on 31.10.2023 & 01.11.2023 were held for the teacher trainees of St. Christopher's College of Education and CSI Bishop Newbigin College of Education.
- As a part of staff exchange programme for the academic year 2023-2024, four staff from St. Christopher's College of Education went to CSI Bishop Newbigin College of Education to take demonstration classes for English Education, Mathematics Education and History Education. Demonstration class for English alone was done on two days – 26.07.2023 & 07.11.2023.
- Mrs. Parimala Paul, Dr. N.G. Jyothsna, and Mrs. Emi Jeba Suganthi took the demo classes for Mathematics, English and History respectively.
- Three staff from CSI Bishop Newbigin College of Education visited St. Christopher's College of Education on 06.11.2023 to take demo classes in Biological Science, Computer Science and History.
- Dr. Rita, Mr. Arul Magi and Dr. Nirmala handled the demo classes. Students of Bentinck Higher Secondary School for Girls and teacher trainees of St. Christopher's College of Education were present.

5. CIRF

St. Christopher's College of Education conducted two significant programmes under the MoU with the Computational Intelligence Research Foundation (CIRF), Chennai, emphasizing the integration of Artificial Intelligence (AI) in education.

On February 13, 2024, the college hosted a Faculty Development Programme (FDP)

on AI, led by Dr. Doreen Robin, Founder and Director of CIRF. The FDP focused on integrating AI tools such as Curipod and OpExams, promoting student-centered learning, curiosity, and critical thinking. Participants included all the teaching faculty members. The hands-on training provided educators with strategies for personalized learning and a deeper understanding of modern educational enhancements, including unified classrooms, personalized feedback, and collaborative experiences.

In a separate seminar, first and second-year B.Ed. and M.Ed. students participated in an interactive session led by Dr. Doreen Robin. This seminar began with puzzles highlighting teaching essentials and introduced tools like Curipod for slide-based lesson generation and instant assessment, CHAT GPT for idea generation, BARD (Gemini by Google) for multitasking, Nearpod for assessments, Ed Puzzle for interactive videos, and Quizlet/Bamboozle for educational games and quizzes. The seminar concluded with an interactive quiz session, allowing students to apply their newfound knowledge.

These programmes highlighted the transformative potential of AI in education, empowering both educators and students with effective teaching and learning practices.

6. G.U Pope College of Education

International seminar was conducted on the topic “Thinking Beyond Language " on 29.9.2023. It was Jointly organised with The International Centre for the University of Madras. The seminar was organized for students and staff of the St.Christopher’s College of Education and the colleges of education from Tuticorin district participated in the international seminar.

The lecture was on education (and/or languages education) between our two regions with colleagues from the Education Department and affiliates. The lecture emphasized the importance of considering cultural differences in communication.

They explored how gestures, body language, facial expressions, and tone of voice can convey meaning that transcends words. Understanding and interpreting these non-verbal cues were highlighted as essential skills for successful intercultural interactions.

Resource Person emphasized on how digital tools and platforms have made it easier

to transcend language barriers and connect with people from different linguistic backgrounds. The lecture encouraged embracing technology as a means to facilitate cross-cultural communication and collaboration.

Resource persons:

- Prof. Russell Cross Associate Dean for Research University of Melbourne, Australia
- Prof. Dr. Rita John Director, International Centre (ICOM) University of Madras
- Prof. Lindsay Oades Deputy Dean, Melbourne Graduate School of Education University of Melbourne, Australia

7. Lady Doak College

St. Christopher's college of Education signed a collaboration with Lady Doak College on August 10,2023.This agreement will remain in force for one year from the date of signing. Our Principal Dr. Nithila Devakarunyam and Mrs.J.Jasmine received recognition for their contribution as a resource person in a faculty development program organised by the centre for Human Resources Development. The program aimed to orient new faculty members towards effective teaching practices. Principal Dr.Nithila Devakarunyam and Mrs.J.Jasmine provided valuable insights into teaching methodologies and professional development. The certificate from Lady Doak College highlights their significant contributions to the field.

8. NKT National College of Education

This report outlines the activities carried out under the Memorandum of Understanding (MOU) between St. Christopher's College of Education and NKT National College of Education for the academic year 2023-2024. The collaboration primarily focused on the Philosophical and Sociological Foundations of Education courses for M.Ed. students from both institutions.

Semester I Activities

Course Title: Philosophical and Sociological Foundations of Education -Course I

Schedule: Every Friday, 1:15 PM - 4:15 PM

Venue: St. Christopher's College of Education

Teacher Educator: Dr. Mano Stella Charling, Assistant Professor of Education

Participants: M.Ed. students from St. Christopher's College of Education and NKT National College of Education

Dr. Mano Stella Charling, Assistant Professor of Education, St. Christopher's College of Education delivered comprehensive lectures on various philosophical and sociological foundations relevant to education. The sessions included interactive discussions, encouraging students to engage deeply with the material.

Students were given regular assignments to reinforce their understanding of the topics covered. Assessments were conducted periodically to evaluate their grasp of the subject matter. Group activities were organized to foster collaborative learning among the students, promoting the exchange of ideas and peer learning.

Semester II Activities

Course Title: Philosophical and Sociological Foundations of Education- Course II

Schedule: Every Friday, 1:15 PM - 3:15 PM

Venue: NKT National College of Education

Teacher Educator: Dr. T Sahaya Saila, Assistant Professor of Tamil Education

Participants: M.Ed. students from NKT National College of Education and St. Christopher's College of Education Dr. T Sahaya Saila, Assistant Professor of Tamil Education conducted lectures on advanced topics in the Philosophical and Sociological Foundations of Education.

The sessions included thought provoking discussions, allowing students to critically analyze and debate various concepts. Regular assignments were given to students to apply their theoretical knowledge to practical scenarios. Assessments were conducted to monitor their progress and understanding. Students were provided with activities that foster research skills and deepen their understanding of the subject matter.

The collaboration between St. Christopher's College of Education and NKT National College of Education under the MOU has been highly successful in enriching the educational experience of M.Ed. students from both institutions. The activities carried out in both semesters have provided students with a comprehensive understanding of the Philosophical and Sociological Foundations of Education, equipping them with the knowledge and skills necessary for their future careers in education.

9. MIER

The MoU between St. Christopher's College of Education and MIER, has laid a solid foundation for meaningful collaboration and partnerships. The activities undertaken so far and the follow-up actions outlined in this report reflect our commitment to fostering academic excellence.

The activities collaborated for the academic year 2023- 2024 are as follows:

S.No.	Date	Title and nature of the of the Activity	Name of the Resource Person/ Name of the Participant
1	22.04.2024	Blended Learning and MOOC Development - Seminar	Dr. Mool Ral, Head & Prof Centre for Educational Technology, MIER
2	22.04.2024	The impact of over-tourism on the Environment- Symposium	1.Tirzah Rebecca David- STCCE 2. Madhumitha. M- STCCE
3	08.02.2024	Best Practice- Women's Studies	Mrs. Jasmine. J - STCCE
4	21.11.2023	National Integration - Patriotic Theme Inter-College Performance Poetry Competition	Sneha Das - STCCE

The MoU was renewed for a period of three years from July 27, 2022.

10. Rev.John Thomas College of Education

St. Christopher's College of Education organized an international seminar titled "Thinking Beyond Language" on Friday, September 29th. The event featured Professor Russell Cross and Professor Lindsay Oades from the University of Melbourne, Australia, along with Professor Dr. Rita John from the University of Madras. They shared their expertise with both online and offline participants. Rev. John Thomas college staff and students were encouraged to participate. The program schedule and the participation link were shared in advance.

11. RMP CSI PSK Rajarathnam memorial College of Education

St. Christopher's College of Education successfully hosted an international seminar titled 'Thinking Beyond Language' on Friday, September 29th. The event featured distinguished speakers: Professor Russell Cross and Professor Lindsay Oades from the University of Melbourne, Australia, and Professor Dr. Rita John from the University of Madras. The seminar provided valuable insights, shared both online and in person, to a diverse audience. RMP CSI PSK Rajarathnam memorial College of Education The program schedule and participation link were circulated in advance to ensure smooth organization and maximum engagement. The staff and students actively participated in the event.

12. Scottish Church College

St. Christopher's College of Education and Scottish Church College collaborated to organize a National Webinar on February 12, 2024, addressing the theme "Inclusion of Children with Disability in Educational Institutions: NEP 2020."

The webinar featured Dr. Veera Gupta, a Professor from the Department of Educational Policy at the National Institute of Educational Planning and Administration (NIEPA) in New Delhi, as the keynote speaker. Conducted via Zoom, the event drew nearly 600 participants, including first and second year students from both colleges. At the webinar's conclusion, all participants were awarded e-certificates to acknowledge their involvement.

13. St. Ann's College of Education

The staff and students of St. Ann's College of Education, Mangaluru, visited St. Christopher's College of Education on an educational tour from 14th to 16th March 2024. During their visit, they explored various places in and around Chennai on day 1 and visited Mahabalipuram on day 2. On day 3, the students had the privilege of attending a session on "Education is the powerful weapon which can be used to change the world," conducted by Mrs. Swathi Praveen, Assistant Professor of St. Ann's College. Additionally, the students of St. Ann's College were taught about the "Need and Importance of Inclusive Education" by Mrs. Enid Ruth, Assistant

Professor of St. Christopher’s College of Education.

14. St.Stephen’s English Medium School

The memorandum of understanding was signed with the aim of coaching village and tribal students to achieve academic excellence and to enhance their knowledge in various subjects. We implement action plans to foster mutually respectful learning environments and promote the welfare of village and tribal students in and around the sagbara Taluka of the Narmada district of Gujarat in particular. Online classes for students from IX to XI standard will be held three days a week, on Monday, Wednesday, and Friday, during the service learning period.

15. TNTEU - Center for Capacity Building Programmes for School Teachers

St. Christopher's College of Education and TNTEU organized a hybrid seminar on Intellectual Property Rights for school teachers and student teachers. The event aimed to raise awareness about different types of intellectual property, including copyrights, patents, and trademarks. It focused on the practical application of IP concepts in education, legal and ethical aspects of IP usage, and promoting a culture of innovation and collaboration among educators. The seminar emphasized the importance of IP in fostering creativity and protecting the rights of creators.

16. TNTEU - Center for Career Guidance and Counselling

On March 6, 2024, St. Christopher's College of Education hosted a seminar on Tamil computing presented by Mrs. Vijaya, Associate Professor, The Department of Curriculum Planning and Evaluation. Around 150 student teachers from St. Christopher's college of education participated in the seminar. Mrs. Vijaya has extensive experience in Tamil computing and language technology.

The seminar covered a wide range of topics related to Tamil computing, including the history of Tamil computing, the latest developments in Tamil language technology, and the challenges and opportunities of using Tamil computers. Mrs. Vijaya discussed the importance of Tamil computing for preserving and promoting the Tamil language and culture.

The seminar was informative and engaging, and it provided attendees with a valuable overview of the current state of Tamil computing. Mrs. Vijaya's insights were

particularly helpful, and her passion for the subject was evident throughout the presentation. The seminar concluded with a Q&A session, where student teachers had the opportunity to ask Mrs. Vijaya questions about her presentation.

17. Vidya Sagar

As a part of MOU activity, classes were conducted for the B .Ed Special Education students of Vidya Sagar by the faculty of St.Christopher's college of Education from 18th June 2024 to 21st June 2024.Eight out of nine students attended the classes and got benefited.

No activities were conducted for the following MoUs:

1. TNTEU - Department of Education Psychology
2. Bodhi Charitable Trust

Annexure IV

Students Feedback 2023-2024

Autonomous Setup

90% of the students have studied in the autonomous set up. Students were appreciative of the autonomous setup in our college. They said discipline, separate marks for attendance and morning devotion in the chapel were the differences observed in our College.

Internal marks through Continuous Comprehensive Evaluation system was the strong point of the autonomous setup. Students benefited from the autonomous system as many courses were organised, Multiple programs were conducted and equal importance was given to extracurricular and Cocurricular activities which imparted important life skills to the students and moulded them to become better teachers.

Examination System

Students were satisfied with the examination pattern followed in our College. They were appreciative of many tests, assignments, projects and other activities considered for internal assessment. Few felt 3 CCE's can be reduced to 2.

Majority wanted holidays in-between exams and between model and semester exams.

Students felt their study habits have changed for the better after coming to our College. They have become more systematic and organised in their personal study habits.

Internship

All the students enjoyed the internship in various schools. They said that they have inculcated many values and skills during internship which helped them become a better equipped teacher.

Co-curricular and Extracurricular activities

All the students enjoyed the varied co-curricular and Extracurricular activities organised in our College.

Service Learning

Students were divided into groups and allocated various service learning centers. All enjoyed the service learning activities carried out in various centers.

Indoor Sports

All the students were appreciable of the various indoor sports activities they were involved in.

Physical Education classes

All the students enjoyed the physical education classes. They felt that it helped them to be physically fit and was a stress buster for all.

Camp

Students felt the camp activities were very useful. It helped them to imbibe various values and was very informative.

Field trip & Educational Tour

Field trip was enjoyed by all the department students.

Advisory Group Session

All the students felt that the advisory sessions were interactive and useful.

Assembly and Quiz Programme

All the students appreciated the assembly and quiz programmes. It helped them to develop organizational skill, subject knowledge, communicative skill and to get rid of stage fear.

Fine Arts & Performing Arts

All the students found fine arts and performing arts classes to be interesting and a stress buster. They are able to discover their innate talents and appreciate art work. They also felt that these classes helped them to integrate art with teaching and learning.

House Parties

It gave the students an opportunity to exhibit their talents and kindled their team spirit. All enjoyed the programme.

Other activities

Students were appreciative of all the other activities carried out throughout the academic year. They felt the programs were informative and interesting.

General Impression

Students were appreciative of our College and felt that it provided them the necessary skills and values to become a better teacher.

Other Courses - Semester IV

Course on Dyslexia

The Dyslexia course was good, useful and interactive. The resource persons had good knowledge . Activities were organised.Playway and brainstorming sessions were interesting. On the whole it was a memorable experience for the students.

Workshop on life Skills

The resource persons were knowledgeable and they shared quality examples and real life experiences with the students. Content delivered was precise and useful. Activity oriented techniques were interesting.Group discussion encouraged students participation.

Family Life Education

The course was liked and appreciated by all the students. The resource persons' knowledge on the topic was good. Appropriate teaching methods were used. More activities can be organised. Interaction with the resource persons led to a better understanding of the course.

Guidance and Counselling

The course was useful and interactive. The resource persons' knowledge on the topic was good. Videos and student friendly methods were used. The approachable attitude of the resource persons enabled the students to gain proper knowledge .Study material was provided and activities can be increased.

TET

The course was useful and enabled the students in their preparation for competitive examinations . The resource persons 'knowledge on various topics was appreciable. The sessions were interactive Learning. materials were provided. Students wanted the course to be conducted for limited hours per day and not the whole day.

Tally

The course was useful and provided them with necessary skills. The resource person had good knowledge on the subject. The sessions were interactive and helped them in skill development. The duration of the course can be reduced .

First Aid Course

The course was very useful to the students. They were satisfied with the subject knowledge of the resource persons. Students wanted the duration of the course to be increased to have hands-on experience. They also wanted more topics to be dealt with.

Self-Study Courses - Semester II

Time Management

Participants found the course transformative and effective in improving productivity and meeting deadlines. They recommend continuing the course with enhancements to support self-study and practical application of time management skills.

Teacher Etiquette

Participants found the course effective and essential for teachers, suggesting improvements in assignment clarity, scheduling flexibility, and real-life application through workshops. They emphasized structured learning experiences and avoiding project deadlines during school holidays for better course engagement.

Storytelling Using Scratch

Implement foundational lessons to ease the initial learning curve.
Promote through engagement with all aspects of the Scratch programming environment to enhance storytelling skills.

Thirukkural Enrichment Activities

Participants found the course satisfying and personally enriching, particularly in learning from Thirukkural. The content was deemed beneficial and effective.

Gaming Through Teaching

Participants were satisfied overall.
Projects should be planned and communicated earlier.
Appreciation for the enjoyable and prideful learning experience.

Problem Solving in Workplace

Participants were generally satisfied with the course.
Suggestions included conducting more offline classes, making assignments more creative, and adding more practical activities.
The course was praised for its relevance and usefulness in problem-solving skills in workplace scenarios.

Peer Feedback

- Four staff members received peer feedback from their colleagues.

Faculty Self-Appraisal

- 07 of the staff attended International conferences and
- 15 attended national level conferences,
- 08 attended Regional level conferences
- All staff members attended the Faculty Development program.
- 03 of them attended Orientation/refresher courses.
- 05 of them completed online courses.
- 03 of them presented the papers and
- 04 published research articles.
- All staff members served in committees either as a Convener or as a member
- 09 of them set question papers for other institutions
- 06 of them served as external examiners for the exams conducted by other institutions
- 12 of the staff served as the resource persons and 9 as experts.
- 14 of the staff were involved in organising various programmes for the staff and students of our institution.
- 1 Research Project was applied by a team of 2 members
- 3 staff members jointly applied for a project to a funding agency and it was sanctioned.
- 10 staff prepared modules of E-content material.
